

Privacy Policy

Effective Date: August 7, 2025

Thank you for using our game. We respect your privacy and are committed to protecting it. This Privacy Policy explains how your information is handled when you use our app on the Meta Quest platform.

1. No Data Collection

Our application does **not** collect, transmit, store, or share any personal or sensitive user data.

We do **not**:

- Collect personal information
- Track user activity
- Use analytics or advertising SDKs
- Connect to any external servers or services

2. Local Data Only

The app allows players to enter a name for their save slot and keeps track of their campaign progress. This data is stored **locally on your device only**. It is not transmitted, shared, or accessible by us or any third parties.

3. No Internet Connectivity

The app does not require or use an internet connection. All gameplay and saved data remain confined to your local device.

4. Third-Party Services

This application does **not** use third-party services or SDKs that collect data.

5. Children's Privacy

Our app does not knowingly collect any data from children or adults. Since no data is collected or transmitted, it fully complies with privacy requirements for users of all ages.

6. Changes to This Policy

If we ever update the app to include features that use or transmit user data, we will update this privacy policy accordingly and notify users before any such changes take effect.
